

Directions to Cizer from Dulles Airport

Cizer Software Corporation is located off Route 7, about 5 miles north of Dulles Airport, in Ashburn, Virginia. 20098 Ashbrook Place, Suite 200, Ashburn, VA 20147.
Main Number: 703-554-1400.

From Dulles Airport via Sully Rd. (Route 28 North):

- **NOTE:** If you've taken a rental car shuttle from the Dulles terminal to the Rental Car area, you'll exit the airport by coming back from the rental car area toward the terminal. Turn LEFT at the traffic signal (Exxon station will be on your left) and stay in the LEFT lane, which takes you out of the airport toward the Sterling-Route 28N exit rather than back to the terminal.

Coming directly from the Terminal out of Dulles Airport, just follow the signs towards Washington DC and then Sterling – Route 28 N.

-
- Go about 5 miles to the top of Route 28 and merge onto Route 7 West going towards Leesburg.
 - Continue past the traffic light at University Center (you'll see the George Washington Univ Virginia Campus on your right).
 - Go to the next traffic light (past University Center) and turn LEFT unto Lexington (Blue Mont Nursery will be on your right).
 - Take Lexington to the Atwater (next intersection) and turn RIGHT.
 - Take Atwater one block to Ashbrook and turn RIGHT.
 - Go one block to 2-story building marked as 20098 and turn into parking lot.
 - Parking is open except as marked for handicapped and several places on the side for the Wellness Clinic. You can enter the building from either front or back.
 - Come to Suite 200 (second floor at immediate top of atrium staircase or take the elevator). There's a sign for Cizer Software – Suite 200 by the door. You will be directed from there to the appropriate suite.
